

2021
CINSAULT
HERITAGE - SINGLE VINEYARD VINE

ABOUT

The 2021 Mischa Cinsault is not only our maiden Cinsault, but it is also made from certified, heritage old bush vines. Bush vines that were planted in 1974 on the farm Klein Helderberg, graced Mischa Estate with exceptional fruit and this incredible wine is the end result. Playful flavours like rooibos, strawberry and roses are backed by more serious flavours of tobacco and oak. The gripping, yet refreshing tannins will allow this wine to become an age old classic.

APPEARANCE

Light ruby coloured, with a deep pink rim.

NOSE

On the nose this exciting wine offers aromas of rooibos tea, rose petals and strawberries. Every whiff of this wine leaves the consumer wanting to delve deeper and tempts one to indulge even more in the soft caress of its bouquet.

PALATE

This delicate, yet bold and full bodied wine might be lighter in colour and style, but definitely not depth and character. Grippy, yet refreshing tannins mingle with the rooibos and red berry flavours finishing with an intriguing smokey finish. Don't let its appearance fool you into thinking it is not a serious wine.

FOOD PAIRING

Even though this fresh wine can be enjoyed all on its own, it pairs beautifully with lighter meals such as sushi, fruit salads and cheese platters.
